IV. RIGHTS RESERVED TO COUNTY

1. County, at its sole discretion, reserves the right to accept or reject in whole or in part any or all bids received as a result of this solicitation.
2. County may cancel this Invitation for Bids in whole or in part without prior notice. Thereafter, County may issue a solicitation for new bids.
3. County makes no guarantee as to the usage of the services by County. County furthermore makes no representation that any contract will be awarded to any bidder responding to this Invitation For Bid.
4. All bids received will become a public record after the closing date and time for submitting bids. Proposals/bids are not to be marked as confidential or proprietary. Proposals/bids submitted in response to this IFB are subject to public disclosure. County shall not be liable for disclosure of any information or records related to this procurement. Additionally, all proposals/bids shall become the property of County. County reserves the right to make use of any information or ideas in the proposals/bids submitted.
5. When more than one line item is specified in a solicitation, County reserves the right to determine the lowest responsible bidder on the basis of individual items, groups of items, or all items included in the solicitation, unless otherwise expressly provided for in the solicitation. County may accept any item or group of items included in the bid unless the bidder expressly objects in its response to the solicitation and conditions its response on County purchasing all items for which the bidder provided bids. In the event that the bidder so objects, County may consider the bidder's objection non-responsive and may render the bidder ineligible for award.
6. County reserves the right to award its total requirements to one bidder or to apportion those requirement among two or more bidders as County may deem to be in the best interests of County. 7. Correction, clarification, or withdrawal of erroneous bids before or after award shall be permitted by the County Procurement Officer or Deputy Purchasing Agent under the following circumstances:

the error and the bid may remain valid.

- C) Where a bidder fails to supply information requested in the IFB due to oversight, the bidder may be permitted the opportunity to furnish the information. This may be permitted so long as the information does not affect the bidder's submitted price, specifications, or substantive obligations, and does not affect the position of the bid relative to other bids properly submitted.

Where a bidder committed errors in judgment, the County will not permit withdrawal of the submitted bid without penalty, unless it is determined to be in the best interest of the County.

Nothing in this section is intended to prohibit the County from accepting a voluntary reduction in price or more favorable terms from a successor bidder after award, provided that such is not conditioned on a modification or deletion of any conditions required in the IFB which would result in a contract less favorable to the County.

- 8. The lowest responsive and responsible bid may be subject to further negotiations in the sole discretion of the County; bidders should not assume, however, that there will be opportunity for further negotiation so bidders must present their best and final bid in response to this solicitation.
- 9. By participating in this solicitation, bidders agree to accept the decision of the County Procurement Officer as final.
- 10. When all other factors are determined to be equal, the County Procurement Officer and Deputy Purchasing Agents have the right to award tied bids only by performing a resolicitation between the tied bidders.

Such remedies shall be in addition to any other remedies provided by law.
- H. Patent/Copyright Materials/Proprietary Infringement: Unless otherwise expressly provided in this Contract, Contractor shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. Contractor warrants that any software as modified through services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. performance of this Contract nor any portion thereof may be assigned by Contractor without the express written consent of County. Any attempt by Contractor to assign the performance or any portion thereof of this Contract without the express written consent of County shall be invalid and shall constitute a breach of this Contract.

- M. **Independent Contractor:** Contractor shall be considered an independent contractor and neither Contractor, its employees, nor anyone working under Contractor shall be considered an agent or an employee of County. Neither Contractor, its employees nor anyone working under Contractor shall qualify for workers' compensation or other fringe benefits of any kind through County.

- O. **Insurance Provisions:** Contractor will need to comply with the following insurance requirements if making the deliveries to the County of Orange. No insurance is required if a common carrier makes deliveries to the County of Orange.

Prior to the provision of services under this contract, the Contractor agrees to purchase all required insurance at Contractor's expense, including all endorsements required herein, necessary to satisfy the County that the insurance provisions of this contract have been complied with. Contractor agrees to keep such insurance coverage, Certificates of Insurance, and endorsements on deposit with the County during the entire term of this contract. In addition, all subcontractors performing work on behalf of Contractor pursuant to this contract shall obtain insurance subject to the same terms and conditions as set forth herein for Contractor.

Contractor shall ensure that all subcontractors performing work on behalf of Contractor pursuant to this contract shall be covered under Contractor's insurance as an Additional Insured or maintain

insurance subject to the same terms and conditions as set forth herein for Contractor. Contractor shall not allow subcontractors to work if subcontractors have less than the level of coverage required by County from Contractor under this contract. It is the obligation of Contractor to provide notice of the insurance requirements to every subcontractor, and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of insurance must be maintained by Contractor through the entirety of this contract for inspection by County representative(s) at any reasonable time.

All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the County’s Risk Manager, or designee, upon review of Contractor’s current audited financial report. If Contractor’s SIR is approved, Contractor, in addition to, and without limitation of, any other indemnity provision(s) in this Contract, agrees to all of the following:

- 1) In addition to the duty to indemnify and hold the County harmless against any and all liability, claim, demand or suit resulting from Contractor’s, its agents, employee’s or subcontractor’s performance of this Contract, Contractor shall defend the County at its sole cost and expense with counsel approved by Board of Supervisors against same; and
- 2) Contractor’s duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
- 3) The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the Contractor’s SIR provision shall be interpreted as though the Contractor was an insurer and the County was the insured.
